

## MAIL ORDER FOR SAM THE RECORD MAN

Toronto: Sam Sniderman, owner and operator of one of the largest record bars in Canada, announces the opening of a Mail Order Service for Canadians from coast to coast. Record connoisseurs looking for that hard to find album, imported or otherwise, will find this service of particular assistance to them. Sam Sniderman's knowledge of the record business dates back to 1929 when Sniderman's Music Hall opened in the west end of Toronto. Sam and his brother Syd operated this successful record outlet until 1961 when they moved into their present downtown Toronto location. 347 Yonge Street has become famous as the place where "even the bus stops".

### Two Bits + One Toy = Success for CHUM "Ho Ho A-Go-Go"

Toronto: Club 888 was the scene of a successful promotion by CHUM to supply toys to St. Vincent De Paul. An estimated 3,000 youngsters took advantage of the opportunity to help those less fortunate than themselves and paid an admission of twenty-five cents plus an unwrapped toy. CHUM's Bob McAdorey and Duff Roman and Ron Scribner of the Bigland Agency hosted the show, which included J.B. and The Playboys, Shawn and her brother Jay Jackson, The Sparrows, Jay Smith and many others.

### Tamarac Shoots for all Canadian Product. Copyrights to be '66 Objective

Toronto: Tamarac Record Production head Stan Klees announced this week that this firm will fight for a higher Canadian content in 1966. Klees says, "Canadian writers and publishers have been comparatively ignored in the current success of the Canadian music scene. In 1966, Tamarac will attempt to encourage more recording of compositions by Canadian songwriters, and assist Canadian publishers. Although we have two publishing firms, Colonel Walt Music and Bigland Music, we are also interested in any Canadian publishers' copyrights that we can bring to the attention of the artists we record."

Tamarac's product is released by Capitol, Columbia, Red Leaf, Compo, RCA and by various labels in the U.S. The firm, solely owned by Klees, has always maintained an institutional approach to the music business.

### Robert J. Stone Associates Makes Gains In Indies Field

Oshawa: Robert J. Stone, president of the company that bears his name, announces the signing of a long-term agreement for the release of all productions by Ron Morey Productions. Plans now call for the release of one new Canadian disc per month. Releases will be on Capitol (Canada) and Sparton of Canada. Stone now represents some thirty American labels for the Canadian market.

### Court Settles Name Battle

Ottawa: A three month legal battle, probably the first of its kind in Canada, ended with the court acting in favour of the Esquires having only two of the original members, Ric Patterson and Brian Lewis. Other members now include Ted Gerow, John Cassidy and Doug Orr.

Don Norman, who was lead of the original group until he broke away and formed his own quartette which he called The Esquires, until the court intervened, Norman's will be now known as The Other Four.

### Kim Empire Grows Into Maritime Giant

Halifax: Stephen Kimber, youthful prexy of Kim Enterprises, makes moves to branch out into the field of promotion and publicity, music publishing, production, management, booking and a newsletter to publicize their activities. Many Eastern Canadian artists have come to the attention of the rest of Canada through the efforts of young Kimber, including Catherine McKinnon, The Great Scots, Kingfishers, Patrician-Anne, Roger Gray and The Bad Cedés.

Genial Sam Sniderman, owner operator of Sam The Record Man, one of Canada's top retail outlets for phonograph records.

### "Soldier", "Hurting", "Joker", "Tellin" Set Pace for '66

Never before in the history of the Canadian music industry has the future looked so bright. Every major Canadian record company and many of the smaller independents are set for a promising year. Capitol, Columbia and RCA Victor have already experienced much success with past releases along with the very progressive independent label Red Leaf. Melbourne kicks the year off with the Rhythm Pals, Phonodisc with The Ottawa-based Townsmen, London with Western Canada's Chessmen. Arc continues to make great strides ahead with Patrician-Anne, Catherine McKinnon and others. Quality's full roster of '65 hits makes the new year one to look forward to.

#### THIS WEEK:

RPM initiates a new feature. The GMP Guide on page 5 now lists Good Music singles for the stations across Canada who program the sweeter hit sound. It's an advance guide to your programming.

Auctions, Raffles, Talent shows, Coffee Parties, Bowlathon, Mile of Pennies, White Elephant Sales means success for the CKLN March Of Dimes. Nelson citizens are throwing their support behind this well organized fund - raising venture. The Vancouver Centaurs moved into the Nelson area with a well - attended show and dance. The Shad-racks were also a part

of the festive mood showing off their big new sound. /// A tally of Christmas favourites at CKCL Truro listed Elvis Presley's "Blue Christmas" and "Children's Christmas Song" by The Supremes as topping the list. The Ventures' Christmas album was also a favourite in this eastern Canadian area. /// The Townsman's newest on Phonodisc "I'm Such A Dreamer" gets the nod from Tom Iley at CJSS Cornwall. The boys are known in the area and have managed to gather quite a following of fans. /// Dick Gasparini has been chosen as DJ of the month by Radio and TV Mirror. Story and photo should appear in the January issue. Pat Donaghy is the newest addition at CKCY and will take over the duties as night newsman. Pat comes to the Soo from CJOH-TV Ottawa.

Bob Taylor. CKLB teen personality, has acquired many new listeners from the Metro Toronto area. His show features the latest in Canadian releases.

/// Ted Hockaday at CHAT in Medicine Hat noticed that "You Really Got a Hold on Me" by Caesar was just sitting around gathering lint and not wishing to arouse the ire of Elvira Capreese decided to give the disc a bit of exposure. He played it on his show, held an open line and sure enough it won a popularity poll of 17 to 2. Now it's a chart item in The Hat. "Dribblin' Fram" got the same treatment and it, too, shows up on the CHAT survey. /// 'Big' John Mitter has the Steel Town hopping

with his CKOC 8-20 MN show. A group of high school students got a little bone and hair together and came up with a blonde, which was to be a Christmas gift to John. Other students around town decided to steal the blonde and offer it as a sacrifice. This all happened on the air and as John says "It just fell into a 007 type thing." /// Dave Charles is now in charge of all teen programming on CJBQ Belleville. Dave is one of the biggest boosters of Canadian talent both on his radio show and with the many shows he brings into the Belleville area.

WHAT CAPREESES HAVE WE FOR 1966??? (Someone said that to me recently, and I thought I'd use it in my column!) Well . . . we are going to continue along the lines that made this column and this columnist internationally famous in 1965. We will tell all (whenever possible) and give you all the news UNFIT to print!!! (Ed.: Miss C. Please see memo dated December 31st, 1965, regarding "News Unfit To Print.") I have been promised the best co-operation from the head office and Mr. G. will probably not be heard from again (Ed.: I DON'T REMEMBER THAT) in MY column. I will not be upstaged by a . . . a . . . a REFORMER ALCOHOLIC!!! (Ed.: Well at least I'M reformed, MADAM!!!) and his smart editorial quips!!! I don't like to finger anyone (Ed.: We have already seen evidence of that!) but by his own admission, old "Ed.:" once told me that before starting the sheet, he was also one of the apathetic promo men when it came to Canadian records. The type that I'm so angry about!!! You've all read my tide-turning comments, and I won't start that line of editorializing again.

Among the very nice gifts that I got this year from my readers was an astounding batch of booze (which I shall keep for medicinal purposes). (Ed.: Miss C. is in constant pain.) Many of the gifts were very thoughtful, but two dictionaries, and a copy of "English Grammar Made Easy" seemed to have some clever conitation that escaped me. Naturally these came in anonymously as did the floor brush with "nail brush" written on the handle and a bottle of iodine with the poison on the label neatly scratched out. There are some nasty people in this world.

Thanks to Race Marbles (who I understand had me in mind when he recorded "Like A Drooping Fram".) I haven't heard the words yet, but at my first opportunity, I will give them a listen. Thanks again, Race! (You see there are so many nice people!) Bobby Kris has been blessed with not one, but two hits. Both sides of his latest release are taking off!!! Good luck, Little Bobby! I'm waiting anxiously for a new release from the Nocturnals. Thanks for thinking of me during the joyous season. Give me an exclusive on your next release and I'll give it a little hype!!! The Shondells' new record looks very promising!!! I like "Another Man" (That's a little funny for you!!!). Greg Hamon's "Keep On Telling Me" may just be picked up by a U.S. company!!! I understand the pirates are playing it! How exciting!!! Understand the next release by the Consuls will follow their long string of hits! I got a note that says "Watch for Spec Filter". I usually try these new cigarettes once and return to my regular brand, but Spec Filter and the Plain Ends has me confused!!!

Ken Warrinder of Arc sends news of the Arc British Expedition. Catherine McKinnon appeared on the Alexander Bros Boxing Day Special TVer and the Andy Stewart's New Year's Eve Special. She will also appear on the White Heather Show on January 6th. While in England, Cathy will also cut a recording session. Ken, Bill Gilliland and Arc's president Phil Anderson will be in Britain to supervise activities for Cathy. Ken has also learned that the "Maritime Gazette", a CBC weekly magazine programme, will be shooting scenes in Britain for showing back in Canada as "A Day In The Life Of Catherine McKinnon. /// It's a first for Halifax, The Privateers is their first Coffee House and will cater to entertainers, writers and other arty types. Also from Kim Enterprises comes news that Roger Gray, who won the songwriting contest held by the CBC-TV "Frank's Bandstand", was found to be as talented a singer as he was a writer. Manny Pittson, producer of the Halifax TVer auditioned young Gray and immediately skedded him for a TV appearance. The future now looks good for Roger Gray with a possible record release the first part of next year.

At their Annual Dinner and Dance, held at The King Edward in Toronto, Quality Records Limited presented ten year pins to Quality Executive and Branch Managers. Happy recipients pictured above are (l. to r.) Lee Farley, George L. Keane, Vice-President and Managing Director, who made the presentation, Clyde McGregor, Bill Bays and Reg Ayres.

Warner Bros. gets set to introduce a unique vocal trio called The Bantams. The pint-sized trio made their TV debut Dec. 20 on Hullabaloo. They are now in the middle of filming their first feature film called "Methuselah Jones". Warners claims they are the youngest rock act in the world. LP and single slated for release in January. ///

Ren Grevatt notes that Musicor has unveiled the biggest and best rounded album release in the firm's history. Art Talmadge, label's president and sales manager, Chris Spinosa are currently presenting the 23 LP release personally to distributors across the country. Talmadge has abandoned his colour slide product presentation to distributors assembled in one meeting place, which he was the first to develop and use, for the more personal approach. ///

## Sounding Board

Ted Hockaday CHAT Medicine Hat  
Keep On Tellin' Me Greg Hamon  
"It's a great sound. The background is really good and the chorus is catchy. Should be a real breakthrough in the Canadian talent race for recognition."

Dave Charles CJBO Belleville  
Hurting Each Other Guess Who  
"Well recorded and very easy to listen to. This is one of the best I have heard from a Canadian group this year. The melody, harmonies and instrumentation has a good balance and there is no distortion like in many discs received. It deserves air plays on your station."

Mike Jaycock CKOC Hamilton  
Keep On Tellin' Me Greg Hamon  
"I like the instrumental backing. It's a nice sound and should get some plays."

Graham Wyllie CKCL Truro  
Keep On Tellin' Me Greg Hamon  
"This record is great; a gas . . . the best Canadian release in a long time. Great way to start 1966. Great instrumental work and Greg's vocalizing combines to produce a potent commercial sound."

Johnny Murphy CKPR Lakehead  
Hurting Each Other Guess Who  
"A different sound for this good group, but I feel it has plenty of what it takes. Particularly dig the repeated title as the background builds. This is the big sound I like to hear. Already on our CKPR Fab 58."

Ron Waddell CKDM Dauphin  
You Lost Your Love Chessmen  
"Definitely hit material. Change of tempo is very appealing. All-round good sound. Let's give it the play it deserves."

Managed to pull CHARLIE CALELLO out of the recording studios long enough to take me to lunch. His next project is an LP with jazz guitarist, CHARLIE BYRD. He is now an RCA Victor recording artist, having just finished recording an album of songs his arrangements helped make famous . . . Had a nice reunion with

TONY CONIGLIARO this week at Tony's recording session. The studio was filled with photographers and sports magazine reporters. Tony had requested that BOB HALLEY write the arrangements for the date . . . Talked to PAUL ANKA while he was at the Copa and also caught his act. You can believe all the raves. I've never seen any performer work harder at getting to his audience. JULIUS LaROSA's first MGM release was out on December 23rd . . . TONY BRUNO (Kama-Sutra) will produce a new session with THE TOWNSMEN the first week in January . . . VI VELASCO will have an LP released on the Mirwood label, which will have arrangements by RICHARD BEHRKE . . . Mercury is rushing out "The Nearness Of You" by THE FLAMINGOS, which the boys sing in their old familiar style . . . Adam of the team of ADAM AND EVE is really the original JAY of JAY and THE AMERICANS . . . Twirl Records has signed singer, SANDY CONTELLA, to a recording contract . . . It's rumoured that Bright Tunes Inc. will no longer be producing THE CHIFFONS, but the girls will continue to record for Laurie. Tin Pan Alley is talking about the unbelievable success of FRANKIE VALLI and the FOUR SEASONS. Waiting to break big on the charts are "Like A Baby" by LEN BARRY and "Night Time" by THE STRANGELOVES . . . The sales monster of the week seems to be the MIKE DOUGLAS record of "The Men In My Little Girl's Life". Bet nobody is more surprised than Mike himself. FRANK SINATRA'S record of "It Was A Very Good Year" is now getting Top 40 play besides everything else . . . In New York it is THE VILLAGE STOMPERS' version of "Call Me" that is being played and not the CHRIS MONTEZ version . . . WMCA is wailing on RAY CHARLES' "Crying Time" and "Good Hard Rock" by IAN WHITCOMB . . . "We've Got A Love That's Out Of Sight" by SPENCER on the Midtown label looks like it could go big in r & b. Notes of Interest . . . Mitch Ryder and the DETROIT WHEELS open the new Hullahaloo night spot in Los Angeles . . . BOBBY DARIN is set for the ANDY WILLIAMS Show on January 9th . . . French Canadian group, THE MONSTERS, opened at The Blue Bunny (NYC) on Dec. 17.

MELBOURNE: George Taylor's biggest seller is turning out to be "Come Home Newfoundlander" by Tom, Jim and Garth. Max Zimmerman of MacKay in Toronto has put in for a large order and display material and feels this could be a very strong record for Ontario. "Iron Town" by the Rhythm Pals is also shaping up not only at the country stations but pop and GMP outlets are also jumping on this Canadian release.

COLUMBIA: "Soldier Boy" by Debbie Lori Kaye gets a big boost from south of the border and also shows up as Picks across Canada. "Travellin' Bag" by Bobby Kris still climbs the charts across the nation and will not doubt gather good U.S. support when it's released there in the new year. "Loadin' Coal" is a Canadian release by a Martime group known as the Five Sounds. French Canada also gives up a Columbia hit with "Quello Shaglisto" by Bobby Solo. From Western Canada comes The Shondels with "Another Man" which gives Columbia a shore to shore bag of Canadian talent.

QUALITY: Twirl Records has released "Freckles Freckles" by Skip Evans. Australia is also getting good reaction to this Canadian produced instrumental. The Deverons' "Blue Is The Night" is getting good Midwest reaction. "Take The First Train Home" by Dee and The Yeomen is getting stronger and could grab new chart listings in the new year. The Guess Who slam home another winner with "Hurting
