## "CRTC responding to failure" - Znaimer

In light of the recent CRTC decision that would allow cable "specialty" channels to apply to have their services carried on basic cable, MuchMusic's Moses Znaimer says, "While at first blush it is good for MuchMusic, it is not that good for the system overall, and therefore ultimately not that good for MuchMusic - certainly not that good for CITY-TV and, in my opinion, it's downright dangerous for CTV and CBC, and I think it's lethal for First Choice/Superchannel."

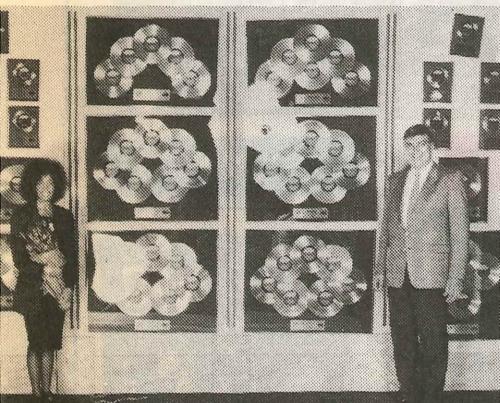

Znaimer goes on to point out that the station may be applying for the basic route, "but it's not a preferred route." MuchMusic has informed the CRTC what their position is, concerning the decision and that, "we will go that way if the regulator insists."

## Black Music Association holds talent finals

Norman Richmond of the Black Music Association (BMA), reports the finals of their First Annual Talent Search, will be held at Toronto's Horseshoe (Sept. 11) at 9 pm. Sandra Whiting and MuchMusic's J.D. Roberts will emcee the show which will also feature the performance of Changing Faces.

The winner of the Toronto competition will be flown to Miami, compliments of Eastern Airlines to perform at the BMA 1986 Convention, to be held at the Fontainbleau Hilton (Oct. 1 through 5). Besides Toronto, winners of local talent searches represent New York, Philadelphia, Washington, Memphis, Cleveland, Los Angeles, and Miami. The winner of the Grand Finals will receive a contract with RCA Records, and an on-camera television appearance in a major commercial.

Judges for the Toronto run-off are CFTR's Music Director Bob Saint; Jim Fotheringham, Director of A&R for RCA; Mello Music's Michael Lym; Diane Liverpool, Secretary of the BMA; Milton Blake, co-founder of the Toronto Chapter of BMA; and Norman Richmond, President of BMA's Toronto Chapter.

Don Kollar, Vice President & General Manager RCA Records Canada with Whitney Houston and her impressive collection of 7-times platinum (700,000 units sold) awards for her self-titled Arista LP, presented prior to her CNE "sold out" show in Toronto. The album has now closed in on the 800,000 mark, and expectations are that the album will reach the 1 million mark by Christmas.

He also suggests that the CRTC is being driven by the difficulties some of the "other" specialty services are encountering and points out "it's hard to argue whether the benefits the so-called Life Channel can bring to the country would outweigh the damage that might be sustained by the national broadcaster," if the applications are granted.

"One of the reasons they (CRTC) put us on discretionary in the first place," continues Znaimer "was quite deliberate . . . it was to protect the rest of the system. Now, instead of penetrating 25 percent, you're penetrating 100 percent and," he concludes, "you've got to do damage. It's the classic Canadian thing: do you reward success or do you reward failure? The CRTC is once again responding to failure."

## New single and tour for Anne Murray

Anne Murray is currently in the midst of her Now And Forever tour, where she will play one-niters over the next 3 months. Included in the 30-city tour are Cincinnati's Riverbend Music Theatre, the Irvine Meadows Amphitheatre in Southern California, and 2 sold-out concerts at Expo's 4000 seat Amphitheatre (Sept. 27 & 28).

The tour kicked off in Birmingham, Alabama (Aug. 20), and will wind down with 2 dates (Oct. 25 & 26) at The Fox Theatre in St. Louis.

Murray is currently on release with her Capitol single, My Life's A Dance, which was produced by Jack White, and is included on her Something To Talk About album. U.S. country and A/C programmers have been quick to pick up on this single, which is the follow-up to Who's Leaving Who, which was also produced by White. The first single taken from this album was the David Foster production of You And Me (Now And Forever).

## RCA pacts licensing deal with Jive Records

Cathy Hahn, who recently returned to RCA in the capacity of Manager of Press & Publicity, reports the pact of a licensing deal between RCA/Ariola and Jive Records. The deal involves North America, Latin America, France and Spain.

In view of the interim arrangement struck between Jive and CBS Records Canada, the latter will retain distribution rights to 4 catalogue items, including recent titles from Billy Ocean, Whodini, Johnathan Butler, and Flock Of Seagulls, until July of 1987.

Therefore, under the new agreement, RCA/Ariola becomes the new distributor for Jive effective immediately. Heading up the Canadian operation for Jive is ex-Quality label manager Larry Macrae.

The agreement was jointly announced by RCA/Ariola President Elliot Goldman and Jive Executive Clive Calder. Initial releases from Tangerine Dream, Samantha Fox, Ruby Turner, Precious Wilson, and Millie Jackson are expected.

## Music marketing included in West Coast Ad meet

**Sponsorship Strategies: The Essentials of Evaluating Corporate Sponsorship** will be the theme for the 3-day West Coast Advertising Conference, to be held in Vancouver's Robson Square Media Centre (Sept. 17, 18 & 19). Of particular interest to the record industry will be the 3rd day (19) when, from 9 am to 10:30 am, a panel of experts in the field will discuss **Hitting The Right Note: Marketing With Music**.

Presentations will be made by Bruce Allen, President of Bruce Allen Talent; Don Shafer, Program Director of CFMI-FM; Don Antle, Manager, Promotion Sports and Entertainment Properties, Molson Breweries; Gary Kawaguchi, Product Manager, Pepsi Brand; and Paul Mercs, Producer, Special Attractions, Expo '86.

Music has been effectively used by breweries and soft drink companies over the last couple of years - in communicating their message to the all-important 18 to 49 age group. They have also sponsored tours by Cancon rock and pop groups - and in many cases - brought top name acts to medium and small markets that wouldn't ordinarily have been included on the tour schedule.

The conference will cover the wide spectrum of advertising with heavy emphasis on sponsorship from TV commercials, the Calgary Winter Olympics, Motor Sport, Expo '86, Fundraising, and professional and amateur sports.

## CIRPA General Meeting set for Sept. 10

A General Meeting of the Canadian Independent Record Production Association (CIRPA) will be held at Toronto's Club Bluenote (128 Pears Ave) on Wednesday, Sept. 10th at 5 pm.

On completion of the meeting there will be an A&R panel discussion with Bernie Finkelstein of True North Records, acting as moderator.

The panel will comprise, Brian Allen (Attic Records), John Alexander (MCA), David Bendeth (CBS Music Products), Adrian Heaps (Duke Street Records), Merck Mercuriadis (Virgin Records), Bob Roper (WEA Music Canada), Tim Trombley (Capitol Records-EMI), and Gerry Young (Current Records).

Winner of first Ken Dobson Scholarship, is 18-yr. old Peter Dryden, seen here receiving \$1070 in cash from The Dobber.

### **Contribute to the glamour???**

The secret is out . . . and you may have to read it here first! (EC: *Big yawn!!*) In announcing that Howie Mandel would host this year's Juno TV (EC: *Yawn!*) these words struck me "Mandel's presence will undoubtedly contribute to the glamour that we have come to expect from the Juno Awards." Well . . . perhaps . . . not so much glamour as perhaps . . . HUMOUR!! (EC: *He's bound to make some contribution*). Meanwhile at the MuchMusic launch of MusiquePlus, the word quickly spread throughout the VIPs in attendance. One, very well-informed, scribe was shocked at the news. Possibly we have scooped the industry again - and the official announcement will be made at the glamorous Diamond dance place on Sherbourne Street, in glamorous downtown Toronto. What glitter! What class! What style! All in an effort to promote Canadian talent and . . . what else? The event will be "proudly sponsored by Molson", who (we hear) will be supplying food and drink. What else??

### **Knuckles could be rapped!!**

There seems to be a reluctance by some in the recording industry to reveal the Cancon properties of videos. The onus is on the user - the

" . . . the prophets of doom, the messengers of mediocrity, will be overwhelmed by the new generation of competent, creative, confident artisans and by all those of preceding generations who have already demonstrated their freshness of mind, their talent and their capacity for inspired leadership." - Pierre Juneau

producers of the various video shows - to make this information available to the CRTC. Apparently this hasn't been done, and if this situation isn't straightened around . . . I hear there could be trouble . . . big trouble. If I were a major or even a small independent label, I'd sure hate to be responsible for a license being taken "under consideration".

Whitney Houston dropped by the media room at RCA's Toronto reception where she renewed acquaintances with several radio and press people, including RPM's Stan Klees.

### **Carol Marks-George set to go!**

Carol Marks-George has set up an office above the Horseshoe Tavern in Toronto. Carol has a variety of musicbiz clients and has an impressive track record behind her. She can be contacted at 416-593-4977.

### **Gary Muth to FACTOR/CTL**

As we were preparing to go to the printer, a courier delivered a press release announcing that Gary Muth has been appointed Executive Director of FACTOR and CTL. Muth is a partner in The Garys, a Toronto-based promotion company. He takes over from Earl Rosen, who continues as Executive Director of CIRPA.

### **More staff cuts at radio . . . ??**

Well . . . the ratings were good, for one major radio station, but it wasn't enough to stem layoffs. I don't have all the particulars at press time, but will have more next week. The trouble isn't just in Toronto. Apparently there have been, and there will be . . . layoffs at a couple of majors . . . out West. I've received a couple of panic calls . . . asking for help in being relocated . . . and some are even anxious to get into the record business. (EC: *The record business??*)

### **Keep your posters . . . !!**

There's no free lunch - and I hear a number of record companies have turned their noses up at some very large and expensive four-coloured posters. Apparently they weren't selling the Cancon acts - as much as they were promoting a beverage that comes in brown bottles or paper cups - at sports events. You can't buy it at a rock concert. "The drinking age may be lifted to 21," said one critic. "What are we really selling here - and to whom?" (EC: *I bet it isn't Heinz Catsup!*)

### **Here's to the sudster who lost!**

All isn't as rosy in the rock arena as some beer people think. While this year's CNE (Toronto) and the PNE (Vancouver) and a lot of little ones in between were successful for the sponsoring breweries - the big 3-ring cir-

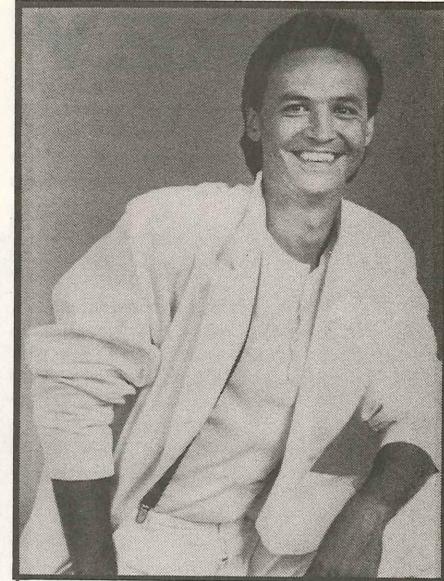

cus act, in Montreal, ran afoul of "moxie" . . . the lack of, that is. It's the old story, "you gotta know your territory", and Montreal is as unique as they come. There's only one promoter who understands what Montrealers want, and that's DDK. Next time . . . these money-spenders will know who to consult.

### **Taping movies and . . . records!!**

Many of us, who feel guilty about taping movies off television and making VCR dubs, will feel a lot better when the new tariff on audio and video tapes is made law. Once you pay the extra charge - you'll feel justified to tape all you want. Come to think of it - it will be a license to tape music off the air, and off other records. I wonder how it will effect the record business? (EC: *Time will tell!!*) Will we really like it??

## RECORDS TO RADIO

## The future's so bright, I gotta wear shades!!

Paul Orescan - I.R.S. Records

Belinda's gold - Fine Young Cannibals are now well on their way to platinum, and R.E.M., in only 6 weeks have equalled their last album's sales of 6 months, and we must not forget about Doctor & The Medics, healing the airwaves with *Spirit In The Sky*.

Belinda Carlisle's new single is *I Feel The Magic*, and Canada is first, first in the world that is to achieve gold on her debut album. *Yeow! Thank you! Mad About You* (already No. 1 on the RPM 100 singles chart) hit Top 5 at almost every CHR station in the country, and is quickly approaching gold. Don't forget to check out the new *I Feel The Magic* video.

Now, you can also take Belinda home, or at least her hour long home video featuring her in concert and behind the scenes, talking about her music and looking stunning throughout.

This video is available in stores through IRS/MCA home video. The first 10 MD's/PD's to give me a call at 416-491-3000 will get a copy.

With the release of *Fall On Me* as a single, R.E.M. maintain true to their sound

Paul Orescan

while delivering a very positive and refreshing song for CHR. R.E.M.'s 4th album, *Life's Rich Pageant*, is their most successful album to date. *Fall On Me* has proven itself at AOR radio across the country with the album already Top 10 in the majority of markets. Most stations are 2-3 cuts deep with *Cuyahoga*, the forerunner as the second consensus track.

With strong sales at retail the album is past the halfway to gold mark. Canadian tour dates are in the works for October/November. Check out the *Fall On Me* video on MuchMusic . . . the band isn't in the video.

Doctor & The Medics' *Spirit In The Sky* is already a huge dancefloor hit. This tune is exploding at CHR, garnering strong phone requests and converting to chart. Witness: CFTR (33 to 23), CKOC (add at 34), CKPT (30 to 25), OZFM (10), VOCM (debuts at 45), CJCB (37 to 27), CJBK (31 to 16), CKSL (30 to 24), CFGO (22 to 16) CKOI, CHUM-FM, MuchMusic. The debut album is called *Laughing At The Pieces*.

Fine Young Cannibals' *Blue* is single No. 3 just behind a limited edition blue vinyl. With 2 hit singles behind them FYC have a strong following (witness the 2 hot shows in Montreal and Toronto). *Blue* was already a Top 10 single in Australia, New Zealand, and Europe . . . OK Canada!!

Yes, *The Future's So Bright I Gotta Wear Shades* is the lead track and soon-to-be-released single from Timbuk 3's debut album, *Greetings From . . . Timbuk 3* are a duo, Pat & Barbara MacDonald, who wrote, arranged, sang and played everything on the album. To put it modestly, *The Future's So Bright I Gotta Wear Shades* is a killer!! (Thanks for all your calls on this one - much appreciated).

If you already haven't - take a listen! A

fun rock 'n' roll dance tune to lessen the back to school - and the fall blues.

Released this week is Beat Rodeo's second album, *Home In The Heart Of The Beat*, produced by Scott Litt (Katrina & The Waves etc.). The lead track is *You're Everything I'm Not*. The album is a solid mixture of blue-eyed soul, and straight-ahead rock 'n' roll. Please take a listen.

At the end of this month, newcomer to I.R.S., Hunters & Collectors release their fourth album, *Human Frailty*, sure to be a huge hit with progressive programmers and college radio.

So . . . *The Future's So Bright I Gotta Wear shades . . . !!*

## COVER STORY

## Iron Maiden - "We made it without radio . . . "

Iron Maiden's follow-up to last year's *Live After Death* album is titled *Somewhere In Time*, and once again, the band have taken off on a world tour. This tour is expected to rival their previous *World Slavery* tour, which saw them play over 300 concerts in 28 countries.

Currently touring several Eastern bloc countries, Maiden are expected to begin the North American leg in January. The band will be utilizing their own custom built sound system and at 173,000 watts, is touted as the biggest in the world.

The *Somewhere In Time* album was again produced by Martin Birch and recorded at the Compass Point Studios in Nassau, and Wisseloer Studios in Amsterdam. Certainly, the band hasn't "commercialized" their sound any - and realistically - realises they won't be getting radio assistance, again.

"We don't need radio," boasts lead singer Bruce Dickinson, when asked whether the current state of tightening radio playlists concerned him. "The tour will sell out everywhere," he continues, "and radio sta-

### New single from Frank Trainor

The follow-up to Frank Trainor's Hard Drivin' Hana is another Trainor original, Everybody Wants To Dance With You. Released on the Toronto-based Oasis label, the single is being promoted by MPL Promotions. Frank has been a major contender in the contemporary country music field. Prior to Hana, he saw chart action with You Sure Didn't Waste Any Time, and The Ring I Gave You. Dance With You was produced by Mike Francis and qualifies as 4-parts Cannon.

### Doug Peart off with single

Doug Peart (pronounced Peert), makes a bid for recognition with the release of his Diamond Back single, Four Things On My Mind, a Peart original. The single was produced and arranged by John Dustan at Toronto's Eastern Sound. The label is located in Stratford, Ont.

### Capacity houses for Glory-Anne

Glory-Anne Carriere, currently on release with I'll Be There, a duet with Ronnie Prophet, has just finished a successful week at the Canada Place Pavilion in Vancouver. Glory-Anne is backed by Fast Freight, a band from Regina. They are now playing dates in Saskatchewan. The pair are also on release with their new Prophet album, Sure Thing, which was produced in Nashville by Tony Migliore.

### Back to basics for Whiskey Jack

Whiskey Jack and In Tune Management have apparently "agreed to part company." The management agreement has been terminated by mutual consent, effective immediately.

The Toronto-based Whiskey Jack will now represent itself in all matters. Agents, promoters, media, and other industry people can contact the act through Duncan Fremlin at 416-921-2065, or John Hoffman at 705-748-2738. Coming up are dates at Canada Pavilion's Inner Stage in Vancouver (Sept. 8), as well as Vancouver's Six Shooter Club. A new single release is expected shortly.

### Good reaction to Carone single

The latest Golden Eagle release by George Carone, Mem'ries (Are The Hardest Part Of Losing You) has been picking up good programmer comments as well as playlists and chart numbers. Says Mike Ried of CJFW-FM Terrace, B.C. "Real heart song." Writes Kelvin Bath of CJSI Estevan, "Well done George. I hear improvements with every song." Lonesome Luke of CIBV Buffalo Narrows writes, "What a great song - will chart." "Fine vocal again," says Paul Kennedy of CHFX-FM in Halifax, and Mike Nikolic of CFNI, Port Hardy, wrote "I'm depressed," which is a good sign, in view of the message on this ballad.

### Heavy promotion for Anne Lord

With the release of Anne Lord's new single, I'll Never Get Over You, the Kansas-based Comstock label is mounting a hefty promotion campaign to bring the record home. The single was written by Anne and her husband Roger, and produced at Vancouver's Little Mountain Sound by Peter Berring. The new single is the follow-up to Forget About Me, which enjoyed several weeks of charting on the RPM Country 60. Anne was recently in England, sharing the bill at the Morecambe Festival with George Hamilton IV, Ray Price, and Slim Whitman.

## Gene Watson has the touch

David Peever, took in the Old Home Week celebrations in Woodstock, New Brunswick recently, where Gene Watson and his band, Farewell Party, performed to capacity houses. "Gene and his band gave the audience everything there was in the country-music songbook," says Peever, continuing with "In a year when so many country shows are not being successful, it was a total pleasure to see a top-notch show coming off in fine fashion in a small creative town in New Brunswick." Peever concludes with "The CBS recording act stayed and signed autographs and had his picture taken with almost everyone after the show, proving again that the personal touch does the trick - class all the way."

*MAIDEN continued from page 7*

tions will then come crawling . . . asking, 'please, can we have the show?' Actually, we're thinking of giving it to the college stations . . ."

Dickinson explains why Iron Maiden doesn't need radio. "Heavy metal's got this very large cult base, and every few years, it goes through an expansion in public consciousness - and after they've run out of their Madonna's, they say 'let's re-invent heavy metal', and I think we're due for one of those now."

"I think what's going to happen in the next year is that the forthcoming months are going to toughen up because I think kids are really bored with today's radio. I get the impression from talking to them, that they're fed up with listening to all oldies or really soft tracks. They want radio to get back to rock 'n' roll - they're not really interested in buying that 'new muffler' or barbeques or whatever the advertisers are trying to sell. I mean, radio has become orientated around selling advertising rather than selling music - and that's actually a sad state of affairs. I wish they'd come clean and not pretend that they're interested in music."

Dickinson goes on to point out "There's a station in Los Angeles (KNAC) that has just started an all heavy metal format - 24 hours a day - and it's doubled its Arbitron ratings. Can you imagine . . . doubled," he emphasizes.

"Sure, they're getting the 15 to 25 age group," he continues, "and probably a lot more males than females. But, even so, they're the people who essentially keep the music alive in the cities . . . because the opposites sit in their 'yuppie' factories, with their BMW's and their stereo TVs."

Continuing, Dickinson punches home his point, "You have to keep music alive, and in order to keep it alive, you've got to have concerts and personal contact," concluding with "That's why radio stations are so desperate to get the credibility of live concerts - because that's the only credibility they've got left - to claim to be in touch with the people."
